Dear Mr. Chani:

As a result of the submission of proof of public notice for failure to submit Second Quarter 2002 Nitrate and Nitrite samples, the New Hampshire Department of Environmental Services ("DES") has determined that the violation identified in the Letter of Deficiency #WSEB 03-006, dated January 27, 2003, has been resolved. DES appreciates your cooperation in resolving this matter.

Please continue to submit water sample results according to your chemical monitoring schedule.
